

KHSCA ANNUAL SILENT AUCTION

Dear Friends of the Katy High School Choir,

This year's Silent Auction is **December 11th, 2018** and we ask for your participation in making this our most productive Auction ever! Your donation of auction items or a monetary donation will go a long way in supporting the Katy High School Choir program.

The money we raise will be used to purchase new music, expand the uniform selection, bring clinicians in for continuing education for the Choir, educational field trips, and scholarship awards to our graduating seniors. Your continued support is vital to us being able to provide these types of items to the Choir students and the tradition of the Choir experience at Katy High School.

Your donation will be prominently displayed, with your name or business name at the auction. We will also be listing our donors on the Katy High School Choir website (katyhighschoolchoir.com). **The value of the item is tax deductible as we have a 501(c)3 exemption.** A form is being provided below for your convenience and for tax purposes.

The Katy High School Choir Association (KHSCA) and the Choir student participants truly appreciate your support. The KHS Choir program is an investment in our community and heritage.

If you have any questions or items you would like to donate, please do not hesitate to call. Pickup is available or may be mailed to KHSCA, Attn: Rosanne Legon, 6331 Highway Blvd, Katy, TX 77494

Sincerely,
Rosanne Legon, Chair of Fundraising, KHSCA
